

Provincial Breakdown Sample Profile
PILDAT's Nation-Wide Survey, June 2015-May 2016

No.	Province	Total Population	%Age of Province's Population in the National Population	Sample Size	Province-wise Sample in the Total Sample Size (%Age)
1.	Punjab	74,426,525	58	1730	48
2.	Sindh	30,439,893	24	710	20
3.	Khyber Pakhtunkhwa	17,743,645	14	560	15
4.	Balochistan	6,565,885	5	610	17
	Total	129,175,948	100	3610	100

Note:

Although the percentage of province wise sample size is not exactly the same as the percentage of the province's population in the national population, weights are subsequently assigned to each province's responses to make it commensurate with the latter.
